A WELCOMING LOUNGE

Tradition and modernity
make for comfortable inviting spaces

TAPAS BAR

Wood and warm colours
for spending time together

PLAYROOM

For little ones ... and grown-ups !

All of our residential complexes are decorated in the style of old mountain chalets, with a blend of warmth and modernity that is mirrored in the various items we have painstakingly hunted out to create a chic and friendly atmosphere. Each piece is unique, and has its own tale to tell.

Our residential complexes are easily spotted thanks to our fully-restored, brightly-painted tractors !

SPA & WELLNESS AREA

Swimming pool, sauna, & steam room ...
for recharging your batteries after skiing

RESINE LOUNGERS

TOWELS

SECURE LOCKERS

SPA

Wood and warm colours
for a calm, relaxing feel

BALCONY

Comfortable practical furniture
for soaking up the sun

LOGOED LOUNGERS

RESIN FURNITURE

ENTRANCE

Wood, high quality materials ...
and lots of storage!

WOODEN MIRROR

METAL MIRROR

WOODEN PEGS

METAL HOOKS

Stacking furniture made of anti-UV and sheet-coloured polypropylene-coated fibreglass with non-slip furniture pads. Cushions available on request. Large range of colours.

Made in France.

LIVING AREA

Spacious and inviting
for unwinding and relaxing

The sofa is both elegant and comfortable because the mechanism has been fitted underneath. The seat cushions do not have to be removed to open the bed, making it easy to use. The basic bed is attached to the sofa back so there is no bulky clutter, making it an ideal solution for optimising limited space. All covers are removable. Mattress: polyurethane density 35kg/m³ height 12 covered with ticking fabric, removable mattress cover. Seats: polyurethane density of 30 kg/m³, compression-resistant. Covers: silicone-coated polyester fibre ticking.

Made in France.

BEDROOMS

A modern mountain style
for peaceful nights

Duvet:

Fabric envelope: polyester microfibres

Filling: A blend of soft springy silicone-coated hollow fibre polyester and feather.

Cyclafill fibres made from recycled mineral water bottles and fleece-like AirFill fibres retain as much heat as possible.

Anti-allergy coating

Decorative wave stitching - 400 gr/m²

Cleaning: Machine washable

Pillows: Polyester with silicone-coated polyester fibres and a mix of feathers.

Anti-allergy coating

TWIN ROOM

A warm mountain ambiance
for friends or kids

All bedding is made in France:
DUAL CONFORT mattress (memory foam):
Thickness 30 cm / Support: Firm / Feel: Enveloping
Prevention of roll-together: 5/5 excellent
Aeration: 5/5 excellent
Ticking fabric: Reversible mattress cover Summer side (cashmere ticking) / winter side (3D bamboo fibre ticking fabric)
Guarantee: 10 years
Options: fire-retardant treated fabrics: anti bed-bug, handles and ventilators, zip together kit to make two single beds into one double bed.

The furniture is very carefully chosen for its design as well as the materials used:
 Solid oak
 Mango wood and metal
 Steel chair with seat cushion in hide
 The bed linen and bedspread are made from premium cotton for softness and maximum comfort.

Our rugs are extremely hard-wearing because of the latex backing. They are all made in Europe and are environmentally-friendly. There is a wide choice of colours, bringing a little touch of character and warmth.

KITCHEN & DINING ROOM

Modern and fully-equipped

All of our kitchens are fitted by a local artisan. The materials selected are in harmony with traditional mountain style while adding a contemporary touch to create a warm timeless ambiance.
All of our tableware kits are carefully selected to match the style of the apartments perfectly.

BATH & SHOWER ROOMS

A modern functional
shower or bathtub

"This document was created to provide information about the general features of the furniture, the fittings and the materials within the aparthotels and residential complexes. The brochure was assembled before the final decisions were made about the different elements. As a result, the pictures of furniture, materials and equipment indicated below represent only a general indication of the quality of the building programme and furnishings. The Seller may make any changes to these details, whether required or deemed necessary, provided that such changes do not increase the price paid by the Purchaser, and providing that the new elements are of an equivalent or lower value than those indicated in this brochure and have features of equivalent quality." All of the photos used in this document were taken in the residence Le hameau de Bathélémy at La Rosière and Les Fermes du Mont-Blanc at Combloux, both of which were built and furnished by the Terrésens Group.))
